Doug,

I have heard that we will only have Durbin's office for an hour. 9:30-10:30. Given that, I think the agenda should generally be:

Introductions – 5 min

Veolia's position – 15 min

EPA's position – 15 min

Discussion – 25 min

Does that work for you? Do you want to further refine the agenda with subtopics?

There will only be two people from EPA attending: George Czerniak, Director of the Air and Radiation and Bob Kaplan, Deputy Regional Administrator

Genevieve,

Would you like me draft an agenda? Who will be attending for the USEPA?
